EXPERIENCE

Aaron Berkman is a Senior Building Consultant with the RMC Group that has served in the restoration industry for over 30 years. His experience has included providing expert consultation, scope preparation, estimation, appraisal, and many other services for large-loss scenarios. Aaron acted as the Vice President of the IICRC School #2 Academy of Textiles and Flooring from 2014 to 2016. Prior to, Aaron founded ACRS, a restoration company with a large volume commercial floor care division, cleaning over 2 million square feet of flooring annually. He operated ACRS for more than 15 years, providing direct oversight for many large loss drying projects and more. From auditing bids to site inspection, Aaron ensures schedules are met while looking for cost reduction opportunities without imposing risks.

Aaron works to resolve claims in the most practical and timely manner possible, delivering accurate, equitable examination of claims and scope of work. Rounding out his comprehensive service offerings, Aaron has experience in successfully negotiating and resolving disputes, also providing expert witness testimony in his fields of expertise.
